

Brisbane's River City Futsal Club comes to Redlynch

River City Futsal Senior Men's squad arrives in Cairns this Thursday, 9th May 2024 as part of their 2024 pre-season schedule. While up in North Queensland, the team will participate in a four-day training camp culminating in a Saturday Night friendly fixture against the Cairns Futsal Select Team.

The 15 player and 5 staff cohort will call Redlynch Central Sports Stadium home, serving as their base for training sessions, a junior clinic, meet-and-greets, and a showcase game on Saturday night, as part of the Brisbane club's new "City goes Country" initiative.

During their stay in Cairns, the team will hold an open training session at the state-of-the-art Redlynch facility, offering locals a chance to catch a glimpse of the teams pre-season preparations. On Saturday 11th May, the Brisbane based club will be hosting a free community clinic for all local players to attend, followed by the open training session, as well as a meet-and-greet with the clubs' players and staff. The Saturday will round off with a Men's Cairns Select team playing host to River City Futsal Club on Saturday Night at Redlynch Central Sports Stadium. The teams will play off for the 'City vs Cairns Cup' with entry to the game being free.

On their trip north, River City Futsal Club General Manager, Mitch Sciacca commented, "it's exciting for us to be able to collaborate with the regions of Queensland. We are looking forward to giving our players and the local Cairns players new exposure and new experiences."

River City Futsal Club is one of eight SEQ based futsal club which take part in the Football Queensland F-League, the highest elite level futsal league in Queensland. As a club, River City Futsal house over 220 active players from U7 through to the Men's & Women's squads, with high-performance academy teams starting from 12 years of age. The club boasts an impressive four Gold Coast International Titles as well as multiple State Level titles. In the last nine months, the clubs' U20 program has finished 3rd at Italy's Montesilvano Futsal Cup, the first Australian side to go and return with a trophy. The same group of players also completed the perfect FQ Academy Futsal League Season, not losing a game, lifting the Premiers and Champions trophy, along with an undefeated Gold Coast International campaign in January.
